You interview the staff to determine their suitability for your needs, Ensure their health thru medical check up, contract signing when meet your requirement and ready for working.

HOW TO START

Solution Driven Company

Our solution based on your business requirement.

Flexible Staffing Solution

Whether you are looking for full-time or part-time, temporary or permanent employees, we have you covered

Competitive In Cost

We provide solution (professional manpower, product and service solution based) with competitive in cost but high competency staff.

We provide a beautiful and modern place for training activities, seminar, graduation, exhibition, wedding, etc.

United Tractors Grand Ballroom is a magnificent ballroom building with a maximum capacity of up to 2000 people. The luxury is no doubt because this is the only full-carpet ballroom with five-star hotel standards in East Jakarta. The meeting room (Discovery Hall and Explore Room) is located in United Tractors Learning Center building used for meetings, seminars and training with capacity of up to 150 people.

Great Place For Your Every Great Event !

OUR CUSTOMERS

We provide solutions for manufacturing companies, distributors, logistics, mining and contractors in all regions of Indonesia. The success and customer satisfaction is our passion in serving.

OUR TEAM

Our great sales team is ready to serve you
